As I am not eligible to graduate from Marywood University in May, I request permission to participate in the University Commencement Ceremony as I have successfully completed all but six (6) credit hours of coursework as well as all other University and degree graduation requirements. The uncompleted six (6) credit hours do not include a Professional Contribution, thesis, or doctoral project. I understand that Marywood University will not provide me with my diploma or record the degree on my academic transcript until I have successfully completed all required coursework and the degree has been formally awarded. I acknowledge that I am allowed to participate in only one (1) graduation ceremony for this degree.
